

Lab Opening

METABO BL Laboratory Linz

15.10.2018

Organized within the framework of the cross-border project ATCZ-52 METABO-BL “Infrastruktur für Metabolomik-Forschung und medizinische Chemie / Infrastruktura pro metabolomický výzkum a lékařskou chemii”

Univ.Prof.ⁱⁿ DDr.ⁱⁿ Andrea Olschewski

Vice-Rector for Medicine

Johannes Kepler University Linz

JUDr. Josef Knot

**Representative of South Bohemia
(Jihočeský kraj)**

Univ.Prof. Dr. Dr._{h.c.} Norbert Müller

Dean

**Faculty of Engineering and Natural Sciences
Johannes Kepler University Linz**

Sitzungszimmer 1, 14:00:

iculum Committee Biological Chemistry

Pohl, Rudolf Sobczak, Norbert Müller, Christoph Romanin, Andreas Kolb,
besberger, Franz Hiptmair

OÖN: "Ein Studienabschluss an den Heimatuniversitäten")

roved by bilateral INTERP...tee

poster

Academic Cross-Border Cooperation

South-Bohemia – Upper-Austria:

A Story of Success

o.Univ.Prof. Dr. Wolfgang Buchberger

Head

**Institute of Analytical Chemistry
Johannes Kepler University Linz**

METABO-BL Laboratory Linz

50 Years Faculty of Engineering and Science at JKU

Four decades of Analytical Chemistry at JKU

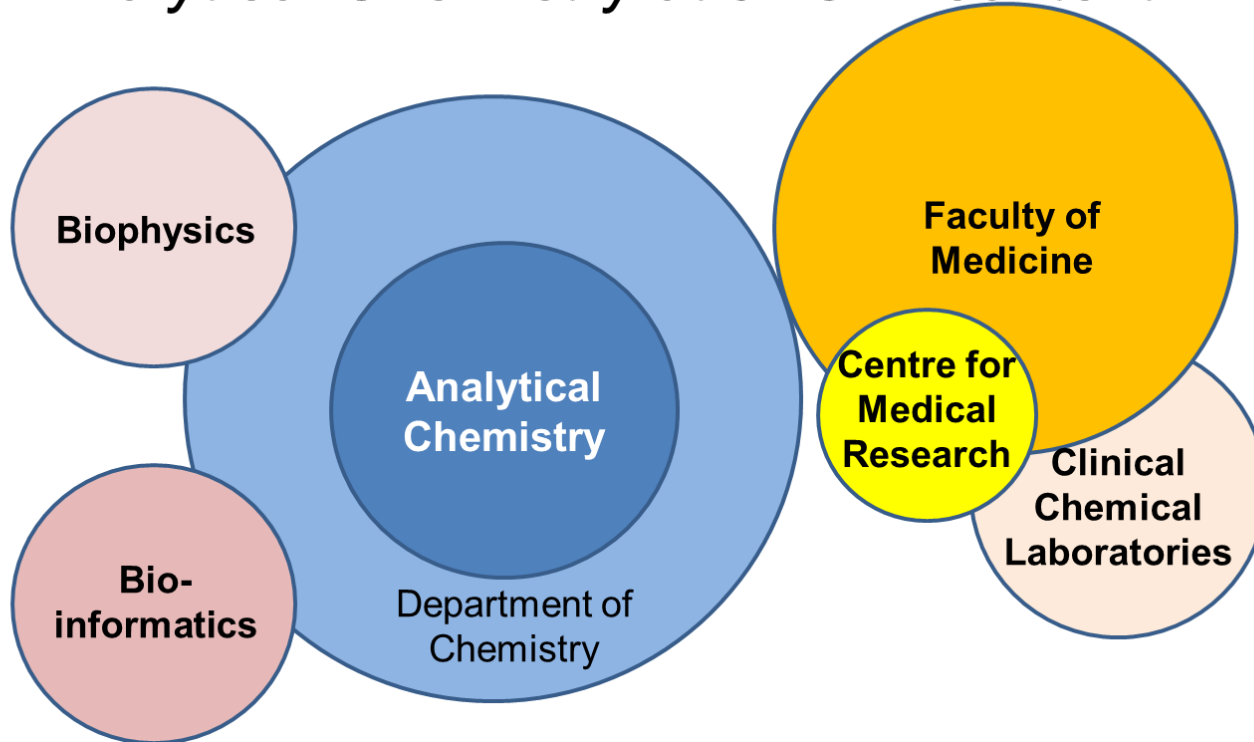

Science must respond to societal needs
and global challenges (UNESCO)

1976

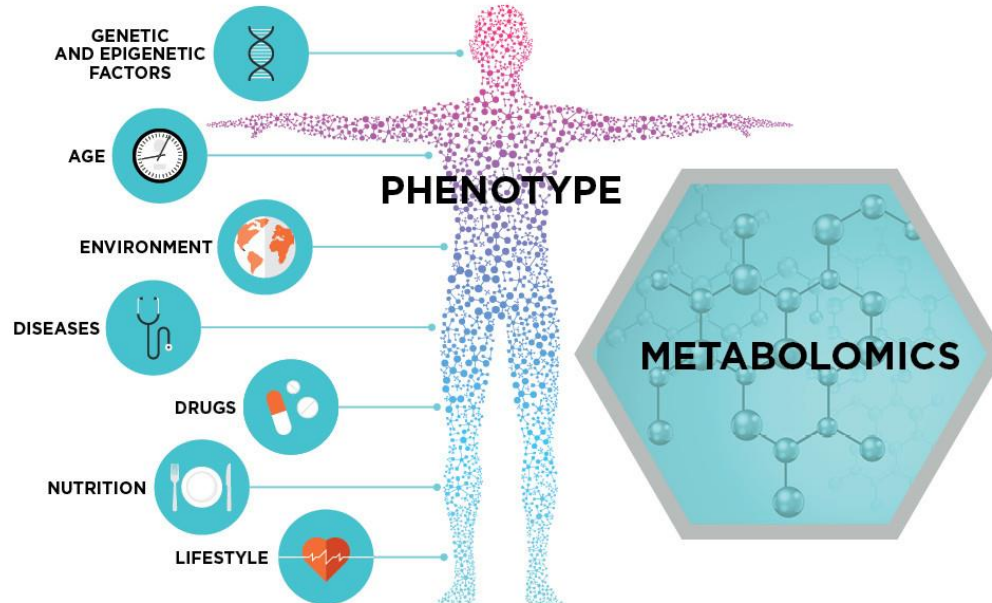

2018

Analytical Chemistry at JKU in context

Science must respond to societal needs and global challenges (UNESCO)

Does analytical chemistry and medicine fit together ?

Fritz Pregl, Nobel Laureate in Chemistry
Analytical Chemist working at the Medical
Faculty of the University Graz

Panel Discussion

Prof. Dr. Libor Grubhoffer (Director Biology Center, Ceske Budejovice)

Prof. Dr. Jens Meier (Dean Medical Faculty, JKU)

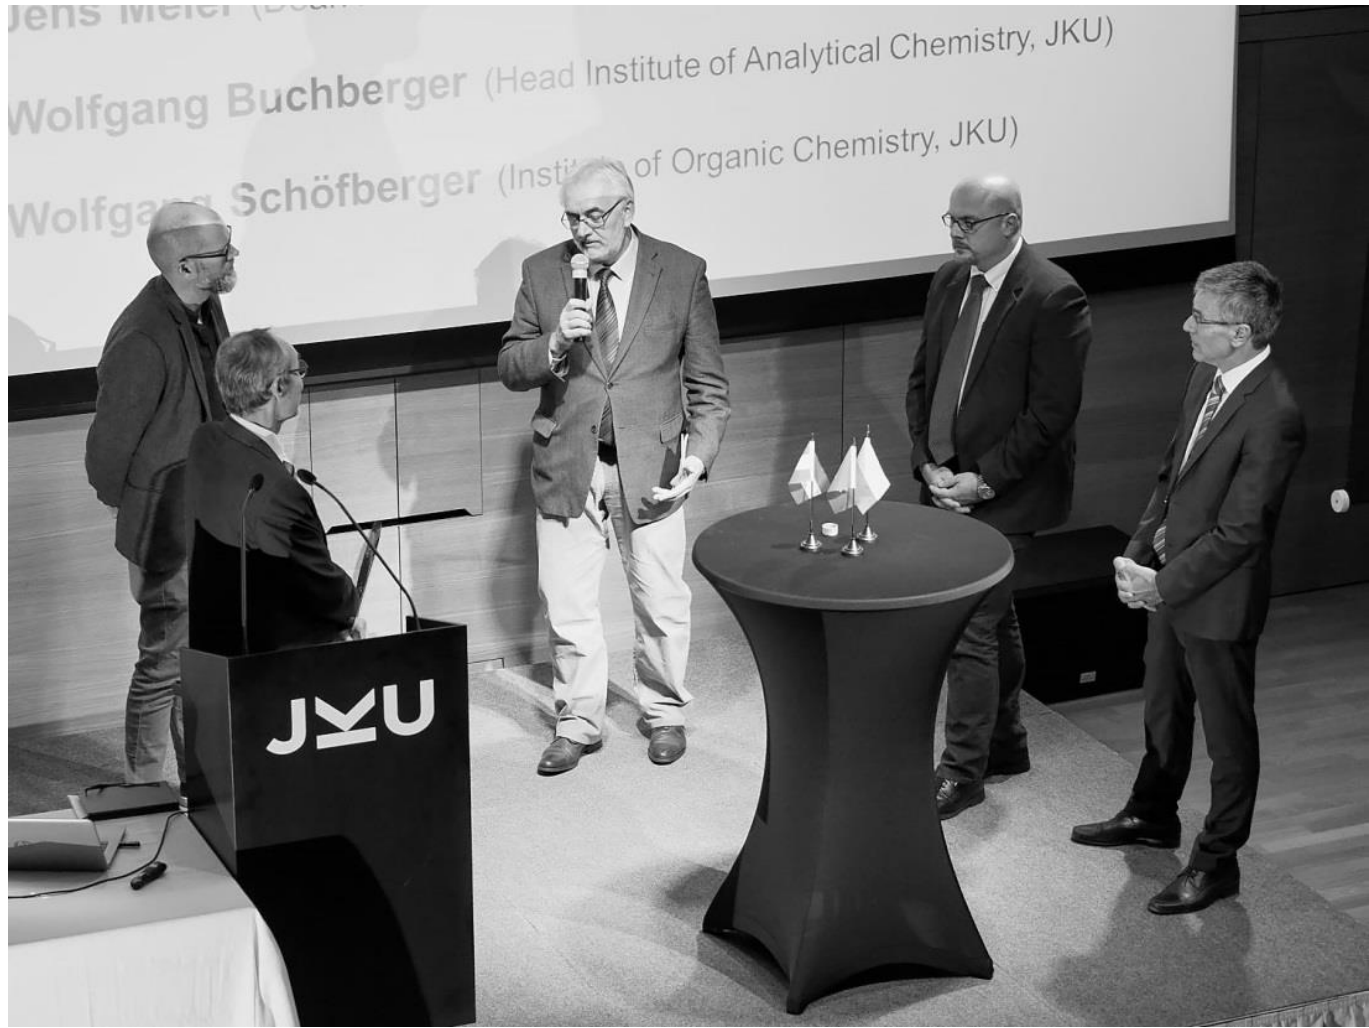

Prof. Dr. Wolfgang Buchberger (Head Institute of Analytical Chemistry, JKU)

Prof. Dr. Wolfgang Schöfberger (Institute of Organic Chemistry, JKU)

Jens Meier (Dean)

Wolfgang Buchberger (Head Institute of Analytical Chemistry, JKU)

Wolfgang Schöfberger (Institute of Organic Chemistry, JKU)

Thank you for Celebrating with us!
