UNIVERSITY
OF APPLIED SCIENCES
UPPER AUSTRIA

INVITATION

We cordially invite you to the:

Symposium on microalgae as future production systems

which will be held on 10th December 2019
from 9 am to 5 pm at the University of
Applied Sciences Upper Austria, Wels
Campus.

We offer you the opportunity to:

- » present your research experience
- » discuss approaches and methodology
- » initiate new collaboration for future projects

MAIN TOPICS

- » algae as cell factories for valuable products
- » cultivation systems
- » genetical engineering - from gene to product
- » screening of new strains

MORE INFORMATION

For further details and registration please
contact juliane.richter@fh-wels.at.

Find more information on our website:
[www.fh-ooe.at/campus-wels/biosciences/
symposium](http://www.fh-ooe.at/campus-wels/biosciences/symposium)

Free of charge.

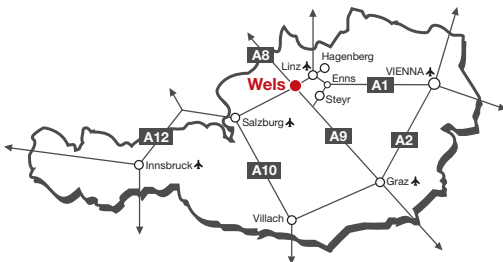

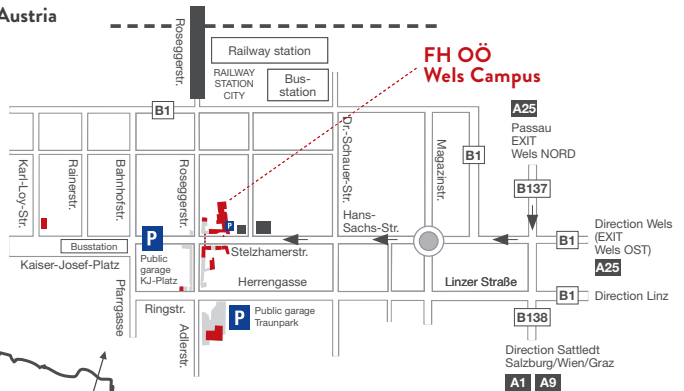

Pictures will be taken during this event.
We point out that these pictures will be
published.
