UNIVERSITY  
OF APPLIED SCIENCES  
UPPER AUSTRIA

## PROGRAM

- 09:30 am**      **Arrival**
- 10:00 am**      **Welcome**
- 10:15 am**      **Presentation Sandra Oberleitner, MSc.**  
University of Applied Sciences Upper Austria, AT  
*Starch/Glycogen production in cyanobacteria*
- 10:50 am**      **Presentation Richard Atzmüller, BSc.**  
University of Applied Sciences Upper Austria, AT  
*Ethanol production in cyanobacteria*
- 11:25 am**      **Presentation Gergely Lakatos, PhD**  
Institute of Microbiology, Center Algatech, CZ  
*Large scale cultivation of cyanobacteria*
- 12:00 pm**      **Poster session**
- 12:30 pm**      **Lunch**
- 1:30 pm**      **Presentation Prof Jiří Masojídek | Karolína Ranglová**  
Institute of Microbiology, Center Algatech, CZ  
*SABANA Project*
- 2:05 pm**      **Presentation Dr. Daniel Remias**  
University of Applied Sciences Upper Austria, AT  
*Current questions on snow and glacial algae: from the field to the lab*
- 2:40 pm**      **Presentation David Kubáč, PhD | Jose Carlos Cheel Horna, PhD**  
Institute of Microbiology, Center Algatech, CZ  
*Upstream / Downstream / Extraction*
- 3:15 pm**      **Closing**
- 3:30 pm**      *Optional: Lab Tour*
